

February 2017 Newsletter

So, it looks like our snow dances paid off! There is plenty of snow on the mountain and all of our trails are open. A huge thanks goes out to Jim LaFrance and the team that runs the groomers. As usual, we have the best groomed trails in the county. Let's ride! Two weekends ago we had just enough snow to pull off the first annual ride in memory of Jack Main. Many volunteers turned up and the ride was a wonderful addition to our planned events. Looks like all of our rides moving forward will be on target! Let's ride. Our Winter Carnival on the 18th was also a huge success. Thanks for all who gave a donation, volunteered or showed support for joining us for the ride and participating.

So far this year we've had pretty good attendance at our monthly meeting. We appreciate those who come to share their input and ideas. Don't forget, you get 15% off at Ronnie's in Adams just for signing in. Please join us for our next Meeting on March 10th at 7:00 p.m. at the Hilltop in Plainfield MA.

Right now the weather is unseasonably warm and trail conditions are always changing, please check us out at www.savoykanarykats.org for trail conditions and any other information you would like to know. You can also check us out on face book. Michelle Vincent updates trail conditions and other events on a regular basis. Thanks Michelle!

Trail Passes and memberships are still available online, PLT, Ronnie's in Adams or Pittsfield, Dalton General Store, Savoy Store and Southside Sales.
