

March 2017 Newsletter

As I write this newsletter we have just gotten at the very least 20 inches of snow! There is plenty of snow on the mountain and all of our trails are open. As usual a huge thanks goes out to our grooming team. Our trail master is awesome. Many thanks to all your hours of volunteer work Jim LaFrance and the grooming team as well as the other members of our club who have spent endless hours grooming our trails. Yet again, we have the some of the BEST trails in Berkshire County! Thanks to all of our many other volunteers that make our club the best in the County.

Our attendance at meetings is admirable, snow or no snow our members and volunteers show up at meetings. That's what our club is all about. Dedicated members that volunteer, share their input and work as a team. Please continue to join us, and remember you get that 15% discount at Ronnie's in Adams just for signing in! Your input, ideas and contributions are what makes the club successful!! Thank you all and please join us for our next meeting on April 14th at Dave Purple's Canary Kats garage at 90 Tilton Road in Savoy. Our usual meeting place at the Hilltop in Plainfield has announced that they will be closing as of April 1, 2017.

Please continue to check us out on our web site. www.savoykanarykats.org

Trail Passes and memberships are only available on line and at the Savoy Store at this time.
